

How to find Tournament and Register on Track Wrestling:

Most Fliers will include a link to the Track Wrestling web site. If a link is not found, you can search for the tournament as shown below:

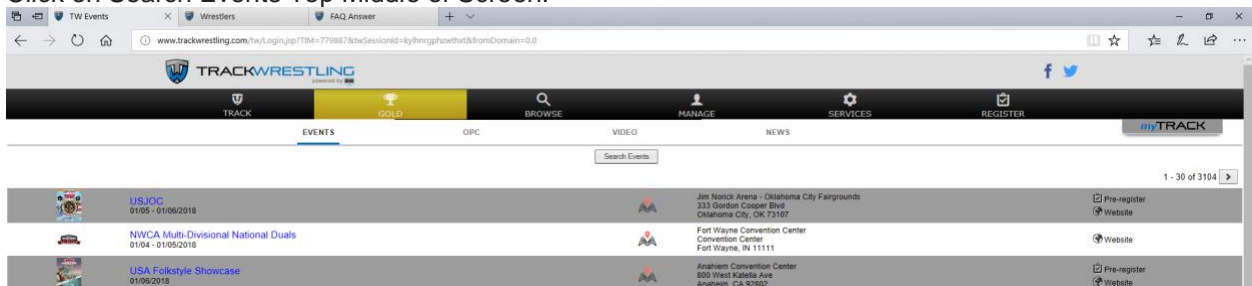

Go to [www.trackwrestling.com](http://www.trackwrestling.com)  
Click on Browse, Top Black Bar:

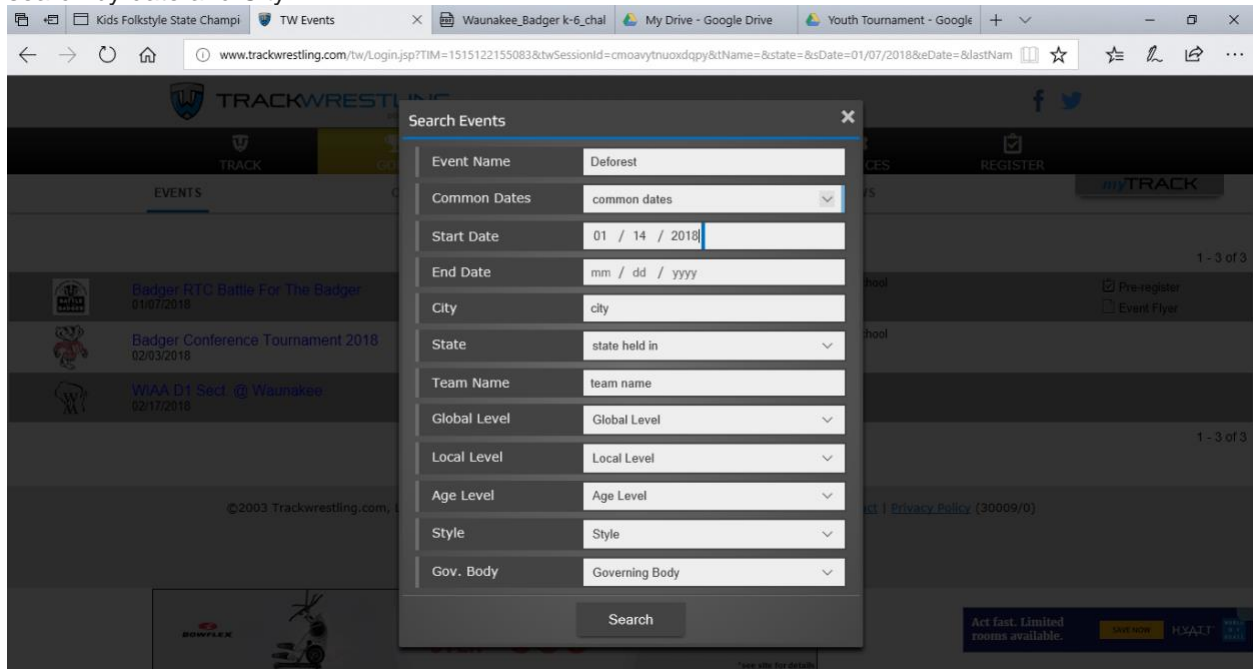

Click on Tournaments, top left side

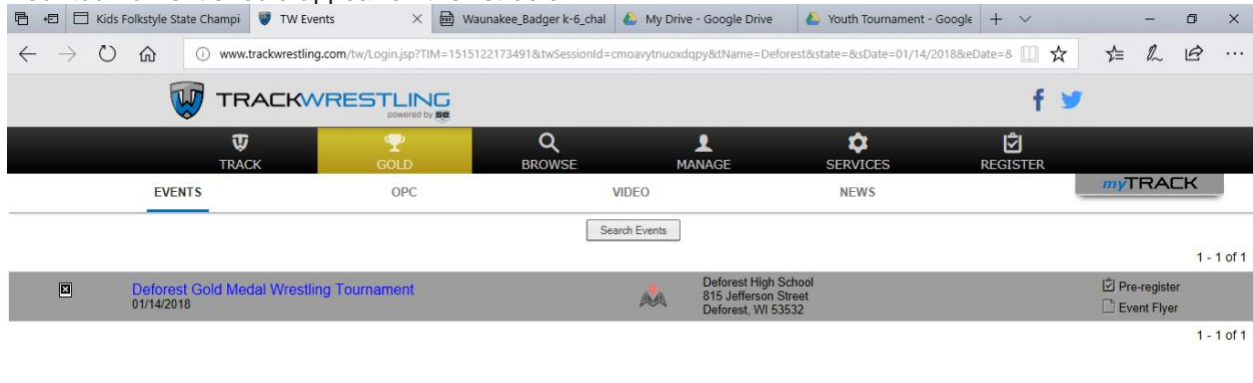

Click on Search Events Top Middle of Screen:

Then enter your search fields. If you know the name of the tournament it is easiest to find. Otherwise I search by date and City.

Your tournament should appear on the list below:

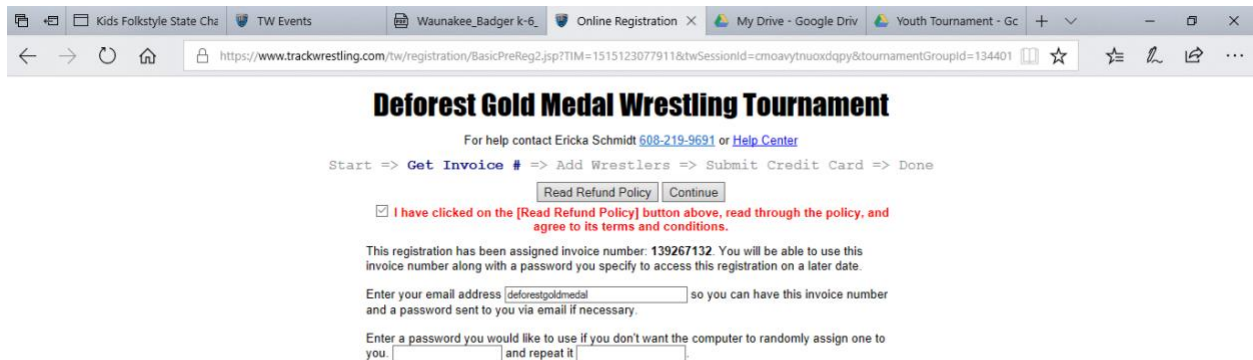

Once you have found the tournament you can begin to register by clicking preregister on the left hand side of the screen

Click on the red/black flashing Register Now tab

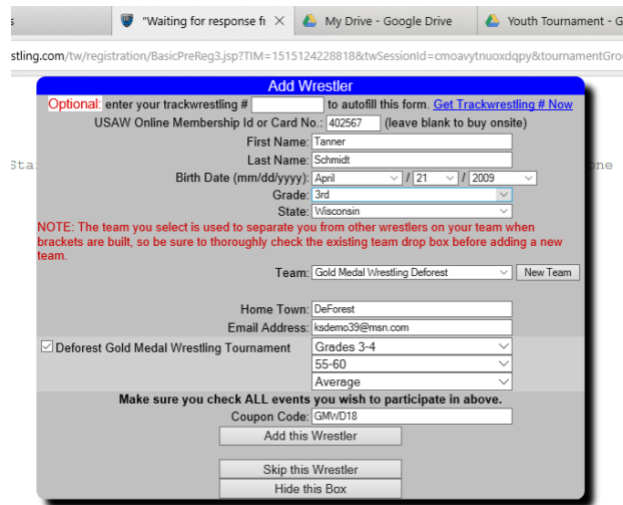

It will give you an invoice # and prompt you to enter an email address and password. You may want to write down the invoice # but you do not need to enter the password. You can proceed through this by making sure your email address is filled, that disclosure box is checked, and then hit the Continue button.

Next you will want to add a wrestler.

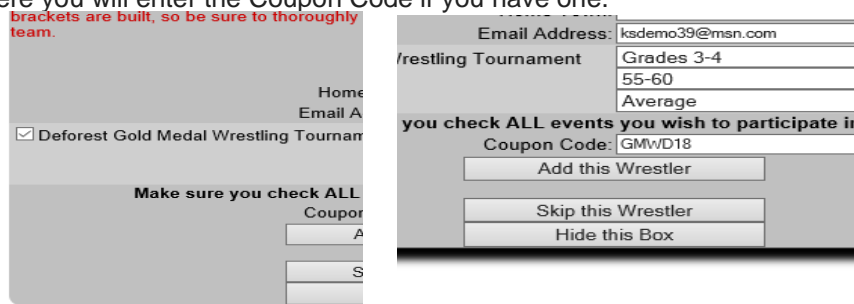

## Old Medal Wrestling Tournament

You will need to enter the wrestler information. You will not need to enter a trackwrestling #, that will be assigned upon registration. you will want to write it down though as it will make registering very easy in the future. You should be able to enter the USA card ID. You may be able to register without it, but you will need proof of the USA card on the day of the event.

Make sure you complete all of the wrestler information, including the team name. Be sure to check the box to the left of the Tournament Name to enter the Grade, and Weight.

This is also where you will enter the Coupon Code if you have one.

Once the information if completed, click on the Add This Wrestler tab directly under the coupon code.
